# Becoming an investment banker

A day in the life of our global banking team.

Join us on a journey that will redefine the boundaries of client products and services as we know them today. Are you ready to be a part of a team that has the drive, ability, insight and expertise to ask the right questions; all to provide the best solutions for our clients?

Register to meet our global banking team, and learn about career journeys of seasoned banking professionals and how you can start yours at UBS.

**We're more than ourselves.**
